

→NOTE: DUE TO A NEW OKLAHOMA LAW, BEFORE A STUDENT WILL BE ALLOWED TO ENROLL, either this Exemptions to the Immunization Compliance form must be submitted or, if you do not qualify for one of the listed exemptions, the Certification of Compliance (and either show your immunization record or physicians statement or check that the vaccine conflicts with your moral or religious doctrine).

Seminole State College Exemptions to the Immunization Compliance

Oklahoma Statutes, Title 70 §3244, requires that all students who enroll as a full-time or part-time student in an Oklahoma public or private postsecondary institution provide documentation of vaccinations against hepatitis B, measles, mumps and rubella (MMR).

The Seminole State College Board of Regents has approved the following exemptions. Please check any that apply to be exempt from completing the “Certification of Compliance” form.

_____ Full or part-time students who graduated from an Oklahoma High School

_____ Full or part-time students who graduated from high schools in other states with similar immunization laws similar to Oklahoma

_____ Students who are active military

_____ Students born before 1956

_____ Concurrently enrolled Oklahoma high school students

_____ Students enrolled in other educational institutions, i.e. Training Centers, Outreach Classes and Technology Centers)

_____ Students transferring from another Oklahoma College or University after Fall 2004

If you do not qualify in any of the above categories, you must complete the “Certification of Compliance” form before you may be enrolled.
