3. The subcommittee continued its review of the response list related to the 2000 Report Team's Advice and Suggestions for Institutional Improvement.
 - Item 12: Regents Self-Development—Mechell Downey has provided data. Dr. Kennedy will have her secretary convert it to a chart. In addition, she will request additional information from Dr. Utterback.
 - Item 13: Tenure Policy—In addition to the policy we can provide related material for the Resource Room.
 - Item 14: On-campus daycare—We need to determine when this was discussed at the Presidents' Council. In addition, we need to check state law to find location restrictions on convicted felons and child molesters. Also, we need to substantiate statements concerning correlation between enrollment and daycare availability.
 - Item 17: Improving international understanding—It was suggested that a search of newspaper articles, President's reports, etc. for the last 10 years be conducted looking for related events/trips within this area. We need to review documentation for the International Student Club and consider information from the Governor's Conference on Global Education. Pam will check with Lana.
4. Dr. Kennedy will enter changes in the list so we can review it at the next meeting.
