The Seminole State College Board of Regents convened Thursday for the first time in the new year. At their Jan. 22 meeting, the SSC Board heard reports on campus activities, approved a policy change, fee increases and two contracts.

During the President’s report to the Board, Utterback provided a list of the College’s accomplishments during 2007 including the construction of a new maintenance building, softball complex and a 150-bed residence hall. Also mentioned were the renewal of the College’s original Upward Bound grant, a Veterans Upward Bound federal grant, a new Upward Bound grant and an Upward Bound Math-Science grant.

Additionally in the area of financial accomplishments, the Seminole State College Educational Foundation’s Capital Campaign – kicked off last year – has resulted in gifts and pledges totaling $700,000.

The President also gave an update on preparations for the Higher Learning Commission accreditation visit and invited the Regents to attend Higher Education Day at the Capitol scheduled for Wednesday, Feb. 27. Additional announcements included the Trojan Baseball Season Kick-off Banquet, the renewal of the “Peek into Engineering” Summer Academy, and an update of the TRiO Program success.

The Board received an official announcement of the retirement of SSC’s Vice President for Academic Affairs Dr. Rebecca Kennedy.

“It is also a bittersweet moment when someone of Dr. Kennedy’s caliber retires. We are happy that she has reached this milestone in her career, but know that it will not be an easy task finding someone to fill her shoes. It has been an honor to have someone of Dr. Kennedy’s talent and character a part of the Seminole State College family,” said Utterback.

Next on the agenda, the board voted to renew SSC’s annual contract with Suzie Brewster & Associates for consulting services in Washington, D.C. during 2008. The terms and conditions of the contract remained unchanged from the 2007 agreement.

The Board also approved an institutional materials board policy. The policy was created in response to the Tuition Lock Bill (HB2103) which requires colleges and universities to adopt instructional materials policies. It provides guidelines to be used by the College in trying to maximize instructional effectiveness while minimizing student cost.

The next two items approved by the Board allowed a $5 per credit hour increase in the Outreach/Non-Campus Fee and a $5 per course increase for lab classes effective Fall, 2008. The increase will help with the rising cost of fuel and laboratory supply costs, and will only affect students enrolled in these courses.

The next action item, minor change orders to the residence hall construction project, was tabled. Utterback explained that the item had been placed on the agenda in the event that the change orders were ready for consideration. They had not been received at meeting time.

The board retired into executive session to discuss terms of employment for the president’s 2008 contract. After returning to open session, the Board voted to rehire Utterback and granted him a three percent salary increase. The raise reflects the same increase given to faculty and staff last July.

Board Chair William Harrison Jr. said that the Board was extremely happy with Utterback’s service as President of the college, and were pleased to award this raise.

“The tremendous growth that the College has undergone this year, and previously, is a great accomplishment that was achieved through great leadership. We are excited with the College’s progress and extremely optimistic about SSC’s future and Dr Utterback’s leadership,” said Harrison.

Utterback thanked the board and stated that he was honored to serve as president.

“I want to say publicly how much I appreciate the support of the board,” said Utterback. “This is an outstanding institution—made great by all the people associated with it — regents, faculty, staff, students and community supporters. It is a privilege to be a part of Seminole State College.”

Two items were approved on the consent agenda: ratification of the 2008-2009 Academic Calendar and the acceptance of the 2007 ACT “Faces of the Future” survey report.

Board members present at the meeting included: Chairman Harrison, Jon Flowers, Jeff Miller, David Wilson, Roger Nansel, Bill Huser and Marci Donaho.

The SSC Board of Regents’ next meeting is scheduled for Wednesday, Feb. 13.

Seminole Citizen of the Year

Congratulations are in order for Seminole State College Educational Foundation Trustee Kenneth Henderson who was named “Citizen of the Year” at the Seminole Chamber of Commerce banquet January 31, 2008!

Kenneth, right, was presented this honor by last year’s recipient, Bob Swearingen, who also is a Trustee of the Foundation.

Visit with Congresswoman Fallin, Askins

Left: SSC President Dr. Jim Utterback introduces U.S. Congresswoman Mary Fallin (Oklahoma 5th District) to members of the President’s Leadership Class during a visit to her Oklahoma City office on Jan. 30.

Right: Members of the President’s Leadership Class served as volunteer hosts for the Seminole Chamber of Commerce Annual Banquet on Jan. 31. Several of the students the opportunity to met guest speaker Oklahoma’s Lieutenant Governor Jari Askins following the banquet.

SSC’s Self-Study Spotlight: A Snapshot of Criterion Team Five’s Duties

Criterion Five
Engagement and Service

As called for by its mission, the organization identifies its constituencies and serves them in ways both value.

Core Component 5a: The organization learns from the constituencies it serves and analyzes its capacity to serve their needs and expectations.

Core Component 5b: The organization has the capacity and the commitment to engage with its identified constituencies and communities.

Core Component 5c: The organization demonstrates its responsiveness to those constituencies that depend on it for service.

Core Component 5d: Internal and external constituencies value the services the organization provides.

What are they doing?
As you have probably heard, and hopefully read in the Collegian, SSC is preparing for a visit in 2009 by the Higher Learning Commission. Preparing for a Higher Learning Commission visit is not an overnight project. In case you forgot what this accreditation thing really means, it is a voluntary peer review process that provides colleges and universities with the impetus to critically evaluate their purposes and whether those purposes are being achieved. In order to achieve such an important task, many committees have been formed and delegated tasks. Each team consists of SSC faculty, classified and professional staff, administrators and students. The Criterion Team Five Team is responsible for researching, organizing, compiling, documenting (do I really need to go on?) information that related to SSC’s outreach programs and services. Just to name a few, this includes business and industry development, workforce and community involvement, and service learning.

Don’t you feel better knowing that your teachers/advisers/supervisors get lots of fun projects too? To learn more about the Higher Learning Commission, visit their web site www.ncahlc.org.
Fall Honor Roll

Seminole State College has released the names of honor roll students for the 2007 fall semester. Three separate honor rolls recognize students for their academic achievements.

The President’s Honor Roll is comprised of students who maintain a perfect 4.0 grade-point-average in at least 12 credit hours of coursework.

Students named to the Vice President’s Honor Roll must have a 3.5 grade-point-average or better and no grade below a “C”.

The Part-time Students’ Honor Roll is for students who maintain a 3.5 grade-point-average with no grade below a “C” in at least six, but less than 12 college credit hours.
