Campus Welcomes Returning and New Students, Faculty and Staff

Seminole State College residence halls and parking lots were full of students back on campus and ready to start the 2012-13 school year. Classes at the college started Thursday, Aug. 16.

The Housing and Student Activities Office was busy hosting "welcome week" activities for students living on campus that included a cookout at Henderson Park, "Inflatable Fun" on a two-lane water slide and hypnotist Michael Reeves.

Welcome week activities for the students continued to be hosted in the evenings with students being invited to a pool tournament, movie night, swimming pool party and bowling outing.

Students had an opportunity to participate in a welcome week game called "60 seconds" on Monday evening.

The Native Americans Serving Non-Tribal Institutions Program (NASNTI) sponsored a Campus Photo Scavenger Hunt contest during welcome week activities.

For more information about campus activities please contact Housing/Student Activities Office at (405) 382-9604.

Area Students Participate in SSC Upward Bound Hawaii Trip over summer

Seminole State College had sixteen Upward Bound Bridge students recently return home from their week-long global studies class trip to Hawaii.

For six weeks, 140 students from Seminole, Pottawatomie, Hughes and Okfuskee counties stayed on the SSC campus as a part of the college’s Upward Bound summer residential program. Sixteen of those were “Bridge” students who were recent high school graduates enrolled in college courses over the summer.

Ending the summer school session, Bridge students who passed each of their classes with a “B” or better were eligible to participate in the Summer Bridge Global Studies Class. The destination and length of the tour are determined by the amount of funds raised by the students throughout their four-year association with the program.

The class included coursework at SSC and a one-week trip to Hawaii where the students learned about Hawaiian culture, history and toured the Hawaii Volcano National Park.

"For most students participating in the program this is their first opportunity to fly and see the ocean. It’s an opportunity for them to do something they never thought they would be able to do. It has proven to be a great retention tool and valuable learning experience for participants,” said Upward Bound I Coordinator Leslie Sewell.

The Seminole State College Upward Bound is a federally-funded (continued on page 6)
Seminole State College Housing/Student Activities Office congratulates Michael Ogunjobi (bottom left) who won a mini dorm fridge with water, pudding, fruit snacks and various snacks from Chad Noyes with Sodexo. Ogunjobi also won the pool tournament on Sat. Aug. 18.

program which serves students from Bowlegs, Earlsboro, Shawnee, Tecumseh, Seminole, Strother, Varnum, Wewoka, Butner, Okemah, Holdenville, Paden, Macomb, Calvin, Graham, Welicetka, Dale, Dustin, Wetumka and New Lima schools. Projects are developed through the program to help students understand the value of group sharing and cooperative learning. Recruitment for new high school participants starts in September at area schools serviced through the grant.

For more information about Seminole State College’s Upward Bound program for area high school students, contact the college’s TRiO programs office at (405) 382-9706 or online at www.sscok.edu.

Seminole State Offers eBay Course through Business and Industry

Seminole State College is offering a three-week course that will teach participants a simple step-by-step system for selling items on eBay beginning Sept. 11.

In the course participants will learn a simple system for selling items on eBay. Selling on eBay allows anyone to have an instant home business. Participants will learn how to open a seller account, determine the value and price of your treasures, improve your listings with effective descriptions and photographs, open a Paypal account and monitor your listings and complete a transaction.

Kristi Baily, an eBay educational specialist and a successful eBay seller, will instruct this course. Students must have computer knowledge and a current e-mail address. eBay registration requires a checking account number and credit card. If students wish to register during class, the mentioned items must be brought.

The class will meet Sept. 11 through Sept. 27 on Monday evenings from 6:30 p.m. to 8:45 p.m. in room 117 of the Enoch Kelly Haney Center. The cost for the course is $111.

For more information about this seminar and future Business & Industry offerings at SSC, contact Carol Hartman at (405) 382-9246. For additional information, contact the Admissions Office at (405) 382-9230.

Final Examinations
Monday, December 10 - Thursday, December 13
SSC Global Studies Program to Travel

Seminole State College’s 2012-13 Global Studies excursions have been announced for London and Ireland/England.

The seven-day London New Year’s trip, slated for December 28, 2012 - January 3, 2013 will keep travelers in one city and in one hotel. SSC Professor of Art Kelly Kirk is coordinating this trip. Tour costs vary from $2,900 to $3,157.

A nine-day Western Ireland and London trip, slated for June 11 – 21, 2013 will take travelers throughout Ireland, Dublin, Wales and London. Kirk is also coordinating this trip and the tour costs vary from $3,966 to $4,336.

Kirk, will host an introductory class on Thursday, Aug. 16 at 6 p.m. in Boren Library, Room 100 on the SSC campus for interested students and members of the public.

He stresses that community members are invited to participate in all of the trips. “You don’t need to be a SSC student to enjoy this opportunity. Openings are limited, so apply for your passport—if you don’t already have one—and reserve your place now on this tour full of history and culture,” he said.

Kirk can be contacted at (405) 382-9251 or by email at k.kirk@ss-cok.edu. Interested parties may also contact Toni Wittmann at (405) 382-9561 or by email at t.wittmann@ss-cok.edu.

Ryann Quinn
Head Men’s Basketball Coach

Back to School Welcome Sacks....

Seminole State College employees Cindy Quinn, Theran Hernandez, Karan O’Dor, Rich Thornton, student worker Brittany Owens and Leslie Sewell prepared “Welcome to Seminole” sacks for 250 students who would be living in campus residence halls this fall. The bags contained snacks, promotional items and coupons from area businesses.

Quinn new head basketball coach

Seminole State College recently announced that Ryan Quinn, current assistant men’s basketball coach, will become the new head coach for the Seminole State College Trojans.

Quinn will take over the SSC program immediately replacing Dr. Tom Mills who has accepted the position of Dean of Instructional Compliance at Seminole State College.

“Ryan has done an excellent job for us with his duties as the Assistant Coach for SSC and has demonstrated his ability to recruit and get the most out of his athletes,” said Dr. Brad Walck, Vice President for Student Affairs. “With the administrative and community support that Seminole will provide him, we are sure that he can lead Trojan Basketball to the top of Region II.”

Quinn came to SSC from the University of Central Oklahoma where he was the Graduate Assistant Coach for two years. His academic credentials include a bachelor’s degree in Social Studies Education from the University of Oklahoma and a master’s degree in Physical Education from the University of Oklahoma.

Quinn said he is excited to be assuming the helm of the Trojan men’s basketball program. “I am very thankful for the opportunity to serve as head coach. We have a good group of guys who have demonstrated great attitudes and teamwork. I am looking forward to the upcoming season,” he said.

The Trojans will open their season at home against Oklahoma Baptist University Junior Varsity on Nov. 1. They will then hit the road for two neutral court games in Weatherford, Okla. at the Oklahoma-Texas Challenge hosted by Southwestern Oklahoma State University. The Trojans will play Frank Phillips and Howard College on Nov. 3 and 4.
