March 11, 2020

In light of the Coronavirus (COVID-19) pandemic, it is critical that we are aware of any international travel plans by our employees or students (or others living in their households). If you are currently out of the country, or plan to travel internationally during the coming weeks, please notify my office immediately with the planned location and dates of travel. This notification should include such travel by those living in your household. You may email me directly, or call Mechell Downey or Lindsay Hernandez at 405-382-9200.
