

Seminole State College

March 12, 2020

Students living in campus housing. Please take all class materials with you when you leave for spring break should it become necessary to close campus and suspend face-to-face classes post Spring Break. Academic leaders and faculty are working diligently to deliver high quality, online instruction options if that becomes necessary. Similarly, please take medications or other supplies you might need in case of an extended break.

Bill Knowles Ph.D.

Vice President for Student Affairs
