

Seminole State College

June 23, 2020

SSC is currently enrolling for the fall semester.

Due to mandatory social distancing regarding COVID-19, we have made a few adjustments to our enrollment process.

If you are a new student, you may make an appointment using the following links and come see us in person, or we are continuing to enroll via email. If you are enrolling via email; a few documents need to be scanned and emailed to admissions.

Documents that SSC needs are copies of all high school and college transcripts and ACT/SAT scores, if they are not notated on the transcript. If you are coming in-person you can bring these documents with you. To save time if you are coming in-person, you can still email the required documents and the offices will have those when you arrive.

If you are a returning student and need to enroll, you may either contact your advisor, come to campus and meet with an advisor using the following links, or call the advising office on campus. For further information, contact the following offices:

Admissions: 405-382-9230/admissions@sscok.edu

Advising: 405-382-9797/advising@sscok.edu

Financial Aid 405-382-9247/finaid@sscok.edu

***To schedule an in-person appointment click on the appropriate links below:

Admissions- Schedule an appointment with Admissions if you need to:
