Navigating the Brightspace Site

This handout identifies common areas that will help you know where to look on a page when directed.

1. **Personal Dashboard:** This is the page you see once you log-in to Brightspace.

   ![Personal Dashboard](image)

   - Minibar
   - Nav Bar
   - Course Admin Bar

2. **Course Homepage:** This is the page you see once you click on a specific class. The top line is called the **Minibar** (also the Tool Bar; present on most pages); the middle line is the **Navigation Bar** (Nav Bar); and the bottom line is a customized space for SSC called the **Course Admin Bar** (this is not a Brightspace name). Nav and Course Admin are only present within specific courses.
