

GEAR UP Students and Parents/Guardians:

Instead of a traditional summer camp, GEAR UP will be traveling during the month of June to six different college campuses in Oklahoma. We want you and your parent/guardian to come along and explore the campuses with us! We will be leaving each day from the campus of Seminole State College around 9:00am, touring a specific campus, eating lunch and then returning to SSC around 4:00pm. (Times could vary depending on distance of travel) This is all free to you and your parents!!

Please indicate below which tours you are interested in attending and if a parent will be attending with you. There is no limit to the number of tours you may attend but please mark only those you are serious about attending. You may return this form in the enclosed return envelope or return it to your school counselor before April 25, 2016.
