

How to Make a Stickball

NASNTI and the Wewoka Indian Health Center hosted "How to make a **STICKBALL**" Friday November 18, 2016 in celebration of Native November. Scott Robison, M Ed., Community Health Director, demonstrated the process of making a stickball. After the demonstration, students of Coach Rita Schell's HPER Class and other Seminole State College students participated in a game of stickball.

Pictured left is Cameron Walker, President of SSC's NASA Club and Scott Robison, M Ed., Community Health Director of the Wewoka Indian Health Center.

Highlights from the Game!
