# Seminole State College

## Degree Requirements and Catalog Agreement

STUDENT NAME: \_\_\_\_\_

ID#: \_\_\_\_\_

The Seminole State College Catalog outlines the academic procedures, course offerings, and degree and certificate programs offered by the institution. A student must follow the degree or certificate plan in the catalog that is current as of the student's first semester of enrollment (full- or part-time). Students who fail to attend for two successive semesters (fall/spring or spring/fall) will be required to use the catalog in place during the semester of re-entry. Enrollment in summer sessions do not affect catalog determinations. Although students must consult regularly with their assigned SSC advisor to prepare an academic plan for graduation, each student is solely responsible for meeting the requirements of his or her degree or certificate program.
