

## Seminole State College

### Chemistry Placement Cut Scores

- Students are permitted to take a placement test in a subject no more than twice each term.
- Forty-eight hours must elapse before a student may retake a placement test.
- For each subject area, there is no charge to the student for the first SSC placement test administered and there is a \$5 charge for each retake.

<b>Primary</b>	<b>Secondary</b>	
<b>ACT</b>	<b>SSC Chemistry Placement Test</b>	<b>Course</b>
1-18	0-39	CHEM 1114
19+	40-60	CHEM 1315
